

Klove Serves me on the internet in my house and in the car on my radio. In Oregon we we canget these two ways. If Klove was to be displayed by LPFM My children would be hert because my seven year old always makes sure Klove is on. It has helped me to grow and to lean on god more. Klove would be missed and it would be a sad day without it. I think KLOVE is a great accet to are community because it helps thoughts who are in trouble and it wittnesses to people who need the Lord.
